President's Message

Volunteers do not necessarily have the time; they have the heart. -Elizabeth Andrew

Sometimes we as individuals lose our enthusiasm and motivation for volunteering in our community. We sit back and let others volunteer for projects and do the work. There are many different reasons why women join a volunteer organization, like ours, that has a mission to support both organizations and

individuals in need by contributing either time, monetary or in-kind donations. Here is a shortened list of "why people volunteer" from the federation president's manual.

To feel needed
To share skills
For a change of pace
To get to know a new community
Because a friend or family member pressured them
To keep busy
To make new friends
To do something different than their daily job
To be with people who are different than themselves
For Fun!
Because there is no one else to do it
To have an impact
Because they were asked
To be challenged
To feel proud
As a family tradition
As therapy
To learn something new
To get out of the house.

To demonstrate commitment to a cause or belief
Regardless of the reason, our Club welcomes all who want to join to make a difference in the community. We believe we have something for everyone. Community projects are varied so that members can select one or two where they feel comfortable helping. It's not all work, we plan social activities throughout the year where members make new friends and have fun. We are open to new ideas and suggestions for projects and activities. Come out and participate, the enthusiasm is contagious!

It is time for members to renew their commitment to our Club for another year and to reach out to a friend who has shown interest in volunteering. The membership renewal deadline is the end of March. Bring your dues to the February meeting.

Yours in Federation Friendship

Janet Walker

As arranged by Val Kenny, nine club members volunteered at Nourish on January 7 for the 11 a.m.-1 p.m. shift. The group was met by a friendly staff who set them up for their tasks of chopping fresh vegetables and assembling/packaging meals of meat/potato/vegetable. The meals were then stored in a large refrigerator for later distribution. By our count, over 400 meals were packed. Staff was very helpful and grateful. All who volunteered commented on a very positive experience. *Susan Jancerek*

At our January club meetings Karina Calabuig, the Site Director for Hope House, a Catholic Charities Agency in Dover spoke to our members. She discussed the mission and functions of Hope House. Hope House is an accredited agency that provides services in the areas of Community Support, Homeless Assistance and a Food Pantry for low-income families. Club members brought small sizes of many toiletry items and single size packages of snacks and oatmeal for Karina to take back to Hope House.

Because our President Janet Walker was out of town, Susan Richardson led our evening meeting and Jenn Ireton led our woman's club day meeting. Thank you to Susan

Richardson and Jenn Ireton who led wonderful meetings. The same agenda was followed

in both meetings. But different chairs were present at either of these meetings. A detail account of these meetings can be found in the detail minutes taken by our recording secretaries, Susan Wiedaseck & Florence Lucchesi once again

January 14th – Wednesday – 10 AM - District Highland Council Meeting

Madison Community House, Madison

It was a great event at the Highlands District Council Meeting, January 14th, at the Madison Community House. Great speakers, wonderful breakfast and lunch, thank you Parsippany Woman's Club for all of that!. It was so great to hear what all the other clubs are doing for fundraisers and for their communities! *Kathy Holland (from Woman's Club of Denville Rockaway Facebook)*

(from left clockwise) Ellen Duffin, Michele Cestaro, Barbara McCloskey, Kathy Holland, Susan Jancerak & Ann Weissenburger

I introduced our members and gave a short report from Janet Walker on three programs that our club had enjoyed this past year. The programs were: Guests from Navigating Hope and Family Promise, the Girls Career Institute, and a presentation by Jacqueline Wisner, NJFWC Legislation Chair. Club members from other Morris County clubs also gave reports about their club programs and some activities that they all enjoyed during the past year. *Ann Weissenburger*

January 22 – Thursday– Acorn Hall – 11AM – 68 Morris Ave, Morristown

11 of us took the tour. The docents explained the history of the house and how its preservation is attributed to Crane-Hone Women including Mary Crone Hone, last family resident of the hall. Since acquiring the property in 1972 from Mary, the Morristown Historical Society has honored this preservation legacy of the Crane-Hone women, placing it on the New Jersey Woman's Heritage Trail. Acorn Hall is listed on the New Jersey State and National Registers of Historic Places. The rooms were beautifully furnished, most of the furnishings being original.

Afterwards, we dined at Grato Restaurant in Morris Plains. *Michele Cestaro*

National Wear Red Day – February 6, 2026

<https://www.goredforwomen.org/en/get-involved/give/wear-red-and-give>

Get ready to GO RED in support of women's cardiovascular health by wearing red, sharing information and resources, and donating to support research and education.

The Nation Goes Red in February

From landmarks to online communities, neighborhoods to news anchors, this annual groundswell unites millions of people for a common goal: saving more women's lives. Cardiovascular disease is the No. 1 killer of women. Wear red to be seen, to be counted, to be heard, and to make an impact. Together, we are stronger than heart disease and stroke.

American Heart Month

Did you know more than 23,000 children experience cardiac arrest outside of the hospital each year?

Learn CPR today so you can be ready and become a part of the Nation of Lifesavers. Because no one, especially our most precious ones, should face a life-changing moment alone.
(Denville Township has installed Automated External Defibrillators (AEDs) at several of its parks and playing fields to enhance safety for residents and athletes such as Gardner Field Fieldhouse, Veterans Field Fieldhouse, Knuth Field, VFW Field on Ford Rd, and Pocono Field.)

Happy 100th Birthday!

2026 marks a milestone of both progress and persistence in the United States, the 100th anniversary of federal recognition for Black Americans. What began as a singular week of learning and recognition called Negro History Week in 1926 [has grown into](#) an overall cultural observance of Black History throughout the month of February.

The architect of this movement was Dr. Carter G. Woodson. A historian and educator, he also holds the distinction of being the second African American to receive a Ph.D. from Harvard University, following W.E.B. Du Bois. As the son of formerly enslaved parents, Dr. Woodson understood that denying people of their history denies them of their humanity. "Those who have no record of what their forebears have accomplished lose the inspiration which comes from the teaching of biography and history," he wrote.

To combat that, he launched Negro History Week (NHW) to coincide with the February birthdays of Abraham Lincoln (who issued the Emancipation Proclamation) and Frederick Douglass, (African American abolitionist) the two figures whom he felt were symbolically tied to African American freedom.

Association for the Study of African American Life and History

<https://asalh.org/black-history-month/about/>

When Carter G. Woodson, as director of the Association, established Negro History Week....he set the themes and provided materials to illustrate the contributions people of African descent had made to the movement of history and modern culture. On February 10, 1976, during the United States Bicentennial, President Gerald R. Ford became the first president to issue a message recognizing Black History Month. Then in 1986, Congress passed Public Law 99-244 designating February as Black History Month. [Link to video by ASALH](#)

Project Kind: A Global Reach on a Local Scale

Since its inception, Jenny DePaul, the visionary behind Project Kind, has been dedicated to aiding the less fortunate. The journey began by distributing peanut butter & jelly sandwiches in Newark, NJ. By incorporating "Notes of Kindness" inside each sandwich bag, she not only provided nourishment but also a tangible reminder of their inherent worthiness of love, resonating long after the sandwiches were savored. Through the generous support of sponsors and global affiliates, Project Kind's reach has expanded, now encompassing initiatives addressing the urgent requirements of individuals facing homelessness and aiding individuals navigating through challenging circumstances. This unwavering commitment ensures that Project Kind continues to make a meaningful difference in the lives of those in need.

*All items can be brought to our meetings and given to the person collecting*

*\*We are still collecting cell phones, ink cartridges and eyeglasses – Joan Bowling.*

- It takes a very long time to accumulate enough cell phones to redeem and we don't know the redemption value until they are sent back. The company does provide prepaid labels, so it doesn't cost us anything to recycle them.
- We no longer have contact with a company who will pay us for the ink cartridges, but we are recycling them so instead of tossing them in the trash give them to Joan Bowling.
- The eyeglasses are given to the Lion's Club who work with groups that send eyeglasses to third world countries. In our mission to reduce, reuse and recycle we are trying hard. Please bring these items to a meeting and give them to Joan Bowling.

**\*Greeting Cards -** [Nancy Levy](#). Collecting the fronts of any type of greeting card.
