## President's Message

*"Spring is the time of plans and projects."*  
Leo Tolstoy

For our Club, spring means getting out into the community with some of our favorite projects and planning new projects and activities for the summer. The Easter Basket project started early and was completed by the end of March.

Thank you to Susan Wiedaseck and Cathy Zollo for organizing this project and to all those who volunteered to set up collection sites in Denville and Rockaway and assemble the baskets. Sixty baskets were delivered to social service children and extra candy was given to the Rockaway food closet. We always appreciate the generosity of the members of the community who make this project so successful. You can all imagine the big smiles on the children who receive the beautiful baskets!

Look for the Club Pinwheel Displays outside the Denville, Rockaway Borough and Rockaway Township Libraries during April to promote awareness for Child Abuse Prevention Month. Our Club will also have a table with activities for the children at the Spring Festival held at the Rockaway Township Library on April 21<sup>st</sup>. We will plan on participating in the Rid Litter Day in Denville in April where we help clean up the local environment. A number of members signed up to assist with the upcoming annual tricky tray fundraiser event for the Joey Bella Memorial Fund, Inc scheduled on July 26<sup>th</sup>. This will keep us busy soliciting for gifts and making gift baskets during the spring months.

Many are looking forward to attending the Highlands Spring Conference and Achievement Day at Centenary University on April 10<sup>th</sup> and the NJSFWC Boat Trip on the Hudson, April 30<sup>th</sup>. A few members plan to attend the NJSFWC Annual Convention in Atlantic City, May 6-8, when Barbara McCloskey will be installed as President of NJ State Federation of Women's Clubs and our Club will perform an original song tribute to Barbara.

I encourage you all to come out to our monthly meetings so you can sign up to participate in all the club activities.

Yours in federation friendship,  
Janet Walker

## March Events

### March 7th - Thursday- 10AM-3PM NJSFWC Civic Engagement & Outreach Day The Battleground Country Club, Manalapan

This year all NJ clubs were invited to attend a statewide CEO Day held at the Battleground Country Club in Manalapan, N.J. on March 7<sup>th</sup>. Barbara McCloskey, Nancy Levy, Phyllis Duddy and Janet Walker attended from our club. This community service event gave attendees the opportunity to hear speakers from various non-profit organizations that serve citizens in need throughout our state. This year speakers from AARP, NJ Run for the Fallen, Operation New Jersey Cares, and Monmouth County Office on Aging provided worthwhile information to the audience and prompted some ideas for club projects in the future. *Janet Walker. Thank you Janet Walker for the photo.*

### March 8th - Friday- 12:30 PM or 3:45PM - Women's International Day Viewing movie "Cabrina" at AMC

In celebration of International Women's Day, a group of club members got together to see the movie 'Cabrina'. The story of Francesca Cabrini, aka Saint Frances Xavier Cabrini, is very inspiring. Cabrini demonstrates the strength of women, reminding us that women can and do make a difference in the world. *Karen Lazur. Thank you Karen for the photos.*

## Woman's Club Evening and Day Meetings

March 11th - Monday- 7:00 PM - Denville Community Church

March 12<sup>th</sup> – Tuesday - 1:00 PM - Denville Town Hall -Community Room

At both meetings the presentations were on the New Jersey based nonprofit organization Community Hope.

At our Woman's Club Evening Meeting, Peggy Banko, development, director of community. Peggy began with Community Hope's mission statement.

*"Our mission is to be a beacon of Hope in our community, connecting individuals and families with life-changing support services and housing that foster the independence and resilience to live their best lives."*

This is some of the information on Community Hope that Peggy Banko shared with us. Community Hope was found in 1985 to help families whose members suffered from mental health to give them affordable safe housing with needed medical services. There is a large percentage of US veterans that are homeless and at risk of suicide.

### (L-R) Peggy Banko and Janet Walker

In 2004 Community Hope, collaborating with NJ VA, started a program, reaching out to Homeless Veterans

Community Hope has a new program which offers to Women Veterans and their children housing, medical care and financial assistance, many of these women veterans being single parents. There is now a veteran case management program, an outreach program. Many events are organized, throughout the year to raise money and awareness of Community Hope. Community Hope gets its money from Grants and Fundraisers the organization organizes. Some of the ways one could help Community Hope are; sponsor an event, organize bake sales to raise money for Community Hope, organize collections for items recipients need for their allotted apartments, organize food collections. Monetary gifts and gift cards from supermarkets like ShopRite are greatly appreciated. In 2023 Community Hope reached out to a record 693 people in need.

### Our evening meeting.

*Thank you to Karen Lazur for these great photos.*

Day Meeting speaker was Jenn Stivers, R&W Managing Director

March 13th – Wednesday 10:00 AM - Highlands Performing Arts Day  
Madison Community House -Madison

Go Barbara Go.....

It's a great honor for our club to have Barbara McCloskey as our next NJSFWC President. For years Barbara has been trying to get our club to perform at Performing Arts Day but alas no one was ever interested. This year we put on our big girl pants, formed a committee and planned a performance for Barbara. If you know Barbara, you know she doesn't like surprises but we really wanted to keep this a surprise so we couldn't leak any news to club members. Performing Arts Day is a competition held in most districts and the winning act gets to perform at the NJSFWC Convention held in May. We were hoping to be the winning act in our Highlands District which meant

that the group of performers were members who planned to attend the convention. That's how we formed our group of eight. Those participating included Nancy Levy, Janet Walker, Ellen Duffin, Arline Scholder, Kathy Holland, Susan Richardson, Karen Lazur and Paula Geleailen who is the president of the Boonton Woman's Club of which Barbara and Kathy are also members.

We spent many weeks rehearsing our 'Go! Go! Go!' performance. We have Nancy Levy to thank for working with her niece on rewording the 'Sweet Carolina' song to hit on all the aspects of Barbara's life as we know her. We wanted silly, we wanted fun, we wanted spoofy...and we got it.

From our first rehearsal around Nancy's kitchen table where she gave us her vision and we all added our input to the day of our performance, a fun time was had by all of us. Nancy was our driving force, our conductor and our rehearsal hostess. With straw in hand, she actually got us all to harmonize, at least most of the time. We loved all our props too!

Guess who the winning club was at Performing Arts Day? You got it, it was us. There were nine votes and we got them all so now onto the stage at Convention!

Barbara gave a presentation about a collection of State Federation Pins displayed as a pin necklace in GFWC Headquarters in Washington DC. The pins were collected by a NJ Club woman..

At Performing Arts Day, Nancy Levy did a reading for Lynn Webb, who was unable to attend, about women; "Both Sides Now" the words from the Joni Mitchell song.

Sixty Baskets were assembled at Cathy’s home by Susan Wiedaseck, Cathy Zollo, Kathy Holland, Marge Dobbins, Ellen Duffin, Karen Lazur, Phyllis Duddy, Carolyn Nilsen and Janet Walker, and delivered to social services.

**National Child Abuse Prevention Month**

**Go Blue for CASA**” events across Morris

and Sussex Counties bring businesses, schools, and community groups together to raise awareness of the trauma suffered by children who have been abused, neglected, and abandoned and become part of the foster care system. It gives the community an opportunity to raise money to support advocacy for these children who are placed in foster homes and

residential facilities. During **“Go Blue for CASA”** events, school personnel, students, business employees, and other professionals wear their favorite jeans or something blue on a designated day of their choice and make a donation to CASA. This becomes a fun, employee morale building event with the message of “giving back” to our community.

CASA will provide **“Go Blue for CASA”** materials to promote the event.

All funds raised support CASA’s mission of recruiting, training, and supervising volunteers who speak on behalf of abused and neglected children.

We hope you will partner with us to **Change a Child's Story** by ensuring that these children are placed in safe, permanent, nurturing homes as quickly as possible.

April marks an important month in education. This month we celebrate both Financial Literacy Month and Mathematics and Statistics Awareness Month. This is an opportunity for schools

to encourage students and their families to engage in learning that sets the foundation for a bright future. It is critical for students to be financially literate and to understand mathematics and statistics as important drivers in our current world.

Mabel Smith Douglass  
NJSFWC ECONNEXION

March 13, 2024

Shirley A. Holly, NJSFWC President

<https://njsfwc.org/news-of-the-week-3-13/>

Mabel Smith Douglass, a woman of vision and action, born in Jersey City, graduate of Dickinson High School and Barnard College, wife of William Douglass, mother of two, was the catalyst for the establishment of the New Jersey College for Women. As a member of the College Club, she was active in counseling young women to continue their education at nearby institutes of higher learning outside of New Jersey as women were not eligible for enrollment at Rutgers. She persuaded the group to join the New Jersey State Federation of Women's Clubs (NJSFWC) to campaign for the higher

education of youth in New Jersey, regardless of sex, and accepted the position of Chairman of a Committee on the State College and actively researched the numbers, visited separate colleges for women, met with public officials including U.S. President Woodrow Wilson and launched a campaign to raise funds. Due to health issues she retired from the project in 1915, but she had laid the groundwork, and the project was taken over by the NJSFWC. After he died, she took over management of her husband's mercantile business. In 1918 the trustees of Rutgers passed a resolution to establish a college for women and the New Jersey College for Women opened with 54 students. The president of Rutgers asked Douglass to be the first dean of the college, where she spent the next 14 years. In 1956 the college would be named Douglass College in her honor. Mabel Smith Douglass was a woman who acted on her vision, a woman whose legacy is one of giving thousands of women the opportunity to pursue higher education in the state of New Jersey.
