President's Message

I know everyone will agree that we feel happier now that spring has arrived! It feels like the start of a new year when the leaves come out on the trees and flowers burst through to show their vibrant colors.

For our Club it means we are close to the end of the "fiscal year" which is our budgetary cycle; July 1st to June 30th. It is the time of year when we evaluate our finances and plan for expenditures for the next year. At the upcoming May meetings, we will review and approve the new Operating Budget for 2023-24. It is also time for us to evaluate the money we have collected with fundraisers and distribute the money. This is the goal of all our fundraising efforts and fulfills our mission to "support both organizations and individuals in need by contributing either time, monetary or in-kind donations."

We are proud to be able to promote education in the community again this year by awarding scholarships totaling \$4,500. Scholarships and awards will be presented to two high school girls who participated in community service, to two women who are seeking a career in healthcare and enrolled in the LPN program at Morris County School of Technology, to a sophomore student who will attend a HOBY leadership program, to two high school students who will participate in the Girls Career Institute held at Rutgers University, to a JBWS woman enrolled in an educational program to enhance her career and path toward independence, to three eighth grade school students who exhibit outstanding effort.

In addition, we have over \$600 to donate to various non-profit organizations throughout the community such as the public libraries, food pantries, pet shelters, homeless and social service organizations.

It was a good year! But after disbursement of these monies, we start fundraising all over again for next year. Our Fundraising Chairs, Patti Manton, Lin Zrike, Kathy Elko, Val Kenny work very hard planning and organizing fundraisers throughout the year. They do need the support of every member of our club. Don't be shy! You can help by volunteering to assist with the organization of the fundraisers, by making suggestions for new fundraising events, and by inviting your friends to participate in our club fundraisers. Yours in federation friendship,

Janet Walker

April 15th – Saturday – 10AM Rid Litter Day

On Saturday, April 15, Denville Rid Litter Day, coordinated by Denville P.R.I.D.E took place, an effort to get members of the community to volunteer to clear areas, within Denville, of trash . At Gardner Field, Chair of Rid Litter Committee, Geoff Millington and Susan Richter handed out to all who wanted to participate in this cleanup, a tee shirt, gloves, large plastic bag and voucher for free drink and frank at Denville Dog. Nine members of our Woman's Club showed up to take part in this Denville cleanup that Saturday. The area (which our Woman's Club have chosen for several years already) was the strip of land, on Morris Ave, opposite the Hampton Inn, running along Route 80 (going all the way up to the intersection of Green Pond

Road).

April 23rd – Sunday – Spring Festival - Rockaway Township Library

The Theme-Earth Day (April 22nd)

(L-R) Ann Weissenburger and Karen Lazur

The Rockaway Township Library hosted a Spring Festival on April 23rd. Fortunately, the rain stopped a couple of hours before it was to begin at noon. The sun came out and it was a lovely day. There were many things for kids to do including a petting zoo, face painting, balloon animals, Star Wars character, a fire truck, and many community groups with information about their group.

Our Woman's Club table was down at the end of the side parking lot. I thought that was not a good location although it was away from the band with loud music. I was wrong because the lady who was doing beautiful face painting was very popular. We were also popular because the parents waiting in the long line for face painting stopped at our table with their kids to plant marigold seeds in little pots to take home along with various games including word games, mazes, and pictures to make with stickers. The theme was all about **Earth Day**.

Many thanks to Karen Lazur, Nancy Fitch, Janet Walker and Linda Leming who helped the kids have a great day at the library.

Thank you Ann W. for article and Karen L. & Nancy F. for photos.

27 Ideas to Celebrate Mental Health Awareness Month (2023)

<https://www.goodgoodgood.co/articles/how-to-celebrate-mental-health-awareness-month>

May is Mental Health Awareness Month! This national month of awareness and action has been recognized since 1949, as mental health activists and practitioners across the country work to spread the word that mental health is something everyone should care about.

With events, screenings, activities, and more, Mental Health Awareness Month is a catalyst for us to learn more, seek help, offer support, and open our hearts and minds to vulnerable conversations.

Mental illness is not a result of any character flaw, weakness, or choice, but is instead caused by a combination of genetic and environmental factors.

It is important to educate oneself and show empathy and care to those living with these disorders.

Mental Health Action Day is on May 19

May is-Continued

<https://www.nursingworld.org/ana-enterprise/nurses-month/>

National Nurses Month is divided into four weekly focus areas — Self-Care, Recognition, Professional Development, and Community Engagement.

National Nurses Week History. National Nurses Week begins each year on May 6th and ends on May 12th, Florence Nightingale's birthday. These permanent dates enhance planning and position National Nurses Week as an established recognition event. As of 1998, May 8 was designated as **National Student Nurses Day**, to be celebrated annually. And as of 2003, **National School Nurse Day** is celebrated on the Wednesday within National Nurses Week (May 6-12) each year. The nursing profession has been supported and promoted by the American Nurses Association (ANA) since 1896. Each of ANA's state and territorial nurses' associations promotes the nursing profession at the state and regional levels. Each conducts celebrations on these dates to recognize the contributions that nurses and nursing make to the community.

The ANA supports and encourages National Nurses Week recognition programs through the state and district nurses' associations, other specialty nursing organizations, educational facilities, and independent health care companies and institutions.

May Is Skin Cancer Awareness Month! (May is remember your sunscreen)

<https://www.skincancer.org/get-involved/skin-cancer-awareness-month/>

With over 5 million cases diagnosed in the United States each year, skin cancer is America's most common cancer. Fortunately, skin cancer is also one of the most preventable cancers. By sharing facts about the dangers of unprotected sun exposure and encouraging people to check their skin for warning signs, we can and will save lives.
